Does it work for websites only?

About SeoBests.com · https://seobests.com/support/does-it-work-for-websites-only/

No, our campaigns are not only for websites, but they also work properly with Facebook fan pages, YouTube videos/channels, Google+ pages, Twitter channels & any other social pages/channels. The ranking-up process on social media platforms will even be much easier than on other normal sites.

So you can order SEO services for all kind of websites / stores / products / channels / urls / links.
