Why was my order canceled?

Privacy and Terms · https://seobests.com/support/why-was-my-order-canceled/

If your order is canceled, the reason is mostly because the review team found that it doesn't agree with our quality standards. You can view our Terms Of Service for more information.

Accordingly, your order has been canceled and the balance has been credited back to your account. If you have another website with another content, please feel free to make orders for it and we will be happy to work on your orders.

We do appreciate your patience & understanding.
